BUSSEI TO CONSIDER FURTHERING RELIGION IN OUTLYING DISTRICTS

MONTREAL.—Ideas for further projects in the propagation of Buddhism in Canada were discussed in last weekend's eighth annual conference of the Eastern Canada Young Buddhists' League.

Nearly 40 delegates and observers from Toronto, Hamilton and Montreal gathered here for the three-day meeting, May 19-21.

The League resolved to undertake the propagation of the religion with special emphasis to Buddhists in outlying districts of Eastern Canada, where regular church services are not held.

Religious tracts of sermons by Toronto's Rev. T. Tsuji will be published periodically and distributed for the benefit of those Buddhists who are not able to attend regular church services.

Kiyoshi Suga of Montreal was named chairman of a committee for the promotion of religious education among Buddhists. This move was prompted by Sunday's panel discussion, in which Toronto's Charlie Shimizu spoke on the problems of creating greater interest among Bussei in their religion.

A motion was also made that the Eastern Canada League will undertake the creation of a scholarship fund for Canadians who wish to enter the Buddhist ministry.

Religious education for Hamilton Young Buddhist Society will be undertaken by ECYBL, as Hamilton chapter is the only one lacking a residing minister. Rev. Tsuji and the Toronto church will be asked to assist in the project.

An essay contest for Sunday School pupils will be sponsored by the ECYBL as part of the religious education program. Buddhist topics will be designated by the League.

BOWLING TOURNAMENT

Junji Matsushita's Montreal squad took top honors in Saturday's bowling tournament at the Bowl-A-Way for the Eastern Canada Bussei championships. Team members were: Mits Ikegami, Mossy Sugie, Kiyo Kimura and Sadie Ishihara.

Best scores of the evening were Squat Ono 732 and Ken Tabe 284 for the men; Flo Onishi 655 and Kiyo Kimura 250 for the ladies.

Okinawa Invites MGM "Teahouse" Crew

NAHA, Okinawa.—Rain stopped MGM's filming of "The Teahouse of the August Moon" in Japan. Mindful that "Teahouse" is the story of the American occupation of Okinawa, the U.S. Chamber of Commerce of Okinawa cabled the show's producer: "Serves you right. You should have filmed it where it belongs—on Okinawa, the garden spot of the Pacific. We forgive you. If you change your mind, you are still welcome."

Raps "Standardized Product" of Universities

VANCOUVER.—Canada could lose its place as a leading world power unless universities extend training in the humanities and social sciences, warns Dr. Cyril James, principal of McGill University, Montreal. He deplored the "standardized" product now being turned out by Canadian universities. He urged that the "few" outstanding students be given special educational opportunities in the form of greatly-increased grants and scholarships.

Theft Accomplice Gets Six-Year Sentence

EDMONTON.—Edward Morris Gagne, 21, was sentenced to six years in penitentiary on a charge of theft of $44,300 in cash from a Canadian National Express delivery truck here April 9. Earlier, Gagne's partner in crime, George Soga, was sentenced to 7 years.

UPHOLD CONVICTION OF DRESDEN RESTAURATEUR; RACIAL DISCRIMINATION A CRIME IN CANADA

CHATHAM, Ont.—A judge, over-ruling defense contentions that Ontario is trying to make racial discrimination a new crime, Wednesday upheld a magistrate's conviction of restaurateur Morley McKay for refusing services to Negroes.

Judge Harold Lang dismissed McKay's appeal.

W. A. Donahue, McKay's counsel, said the act was an "attempt on the part of the Province to create a new crime."

Racial discrimination existed unfortunately—but it had never been considered crime in Canada.

Judge Lang said it is perfectly clear that McKay's Dresden restaurant had denied service to Percy Bruce and Jake Alleyne, University of Toronto students who laid complaints.

It had not been necessary for McKay or a waitress to say: "I refuse to give you service."

Rather it was a "plain case of actions speaking just as loudly as words and the only possible reason they were not served was because of their color."

The evidence had warranted their conviction.

The judge said he thinks the act creates a new civil right.

It was not intended to be a declaration of human rights or a statute of civil liberties. It was an act within the power of the province to legislate.

McKay had been fined $25 and ordered to pay $155 costs on each of two convictions. He would also pay the costs of the appeal.

In Toronto, Sid Blum, executive secretary of the joint labor committee of human rights, said: "It's a wonderful decision and we hope the people of Dresden will recognize the law as a good and valid law and reconsider their ridiculous opposition."

Minister Charges Lawyer With 'Cheap Politics'

OTTAWA. — Toronto lawyer Andrew Brewin tried to make a cheap political issue of the case of a Pakistani student who was "very properly deported" from Canada, Immigration Minister J. W. Pickersgill told the Commons Wednesday.

Reference was to remarks by Mr. Brewin at a Toronto convention of the Ontario CCF Party. The lawyer was quoted as saying the student was deported after the Government told him "the habits and customs of life in the country he came from were not good enough."

Mr. Pickersgill said the Pakistani student was admitted to Canada as a student but failed his examinations.

After failing his exams, the student applied for permanent landing, the minister said.

"To have landed him would have meant the denial of landing to someone else under our agreement with Pakistan." The agreement allows about 100 Pakistanis a year into Canada.

"Under the law he was very properly deported," Mr. Pickersgill said. More than ample time was allowed for him to take what Mr. Pickersgill called a voluntary departure.

"I cannot think anyone could have been more fairly treated considering the law as it is," the minister added.

Brewin Calls Deportation Illegal, Discriminatory

In a letter to the editor of The Globe and Mail, Toronto lawyer F. A. Brewin answered Immigration Minister Pickersgill's charges:

"The facts are not in dispute and are contained in correspondence between Mr. Pickersgill and myself. The young man in question . . . was ordered to be deported after the usual 'farcical' hearing by an immigration official on two grounds, the first being that the landing in Canada of immigrants is limited to nationals of a country with which Canada has entered into an agreement. The application of this regulation was obviously absurd as there is no doubt that Canada has entered into an agreement with Pakistan. The second ground was that in the opinion of the Special Inquiry Officer, he should not be admitted by reason of the peculiar customs, habits, modes of life or methods of holding property in the country of his birth, or the country where he resided prior to coming to Canada.

"It is still my view that (the) deportation was illegal and discriminatory and that moreover such action gravely endangered the goodwill which we are seeking to build up in the Asian nations of the Commonwealth through such activities as the Colombo Plan."

Immigration Department Not Authorized to Deport

The Globe and Mail editorialized as follows:

"The only lawful reasons for deportation we know are breaches of the Criminal Code. What the Minister obviously means, but what he mistakenly calls the law, are the labyrinthine regulations of his Department, which establish the 'requirements' prospective immigrants must satisfy. And these are not the duly enacted law of the land, but a law unto themselves. . .

"Even worse, even more of a perversion of natural justice and the rule of the law, is the practice which permits a group of bureaucratic civil servants the right of deportation without any judicial process. There should be such a process, and the place for it is in our duly constituted courts.

"When seeking to expel an immigrant or prospective immigrant who has entered Canada legally, the Immigration Department should be required to apply to a competent court for a deportation order and there substantiate its case by proper evidence, which means a full disclosure of the reasons the order is being sought. Such an action could be appealed to a higher court. Only thus can an end be made to a practice which has been condemned by the Supreme Court of Canada and which has undermined many people's faith in Canadian justice."

RON HAYASHI

Television Is His Bread and Butter

Frankly, he doesn't care to watch television. It bores him. For visual entertainment, he would much rather take in a floor show or even sit in a movie house.

But to Ron Hayashi, despite his apathy towards this form of modern leisure, television happens to be his bread and butter. Under the name of Ron's Television Service, he has a three-year start in a new and rapidly growing avenue of domestic and industrial service.

No other field of its scope offers so much promise for economic attainment to the Nisei than does the television and related electronic line of business [illegible]

the surest thing since the automobile. Thus, he starts with the same chance to forge ahead as the next fellow.

Time-wise, the birth of the electronic age parallels that of the "Nisei age." It's since the war that electronics has become a byword of industry as well as the promise of the future, and it's during the same period that the Nisei has begun blossoming into maturity and to make a niche for himself in the dollars and cents world.

The Nisei, wisely, are taking full advantage of the realistic facts and plunging into the electronics field. It would be difficult to [illegible]

other field is attracting so many, would be a sure bet.

Among the first to realize the possibility and decide to do something about it was Ron Hayashi. When the first television school in Canada was established at Ryerson Institute in Toronto, Ron was among the first to enroll in its night classes. That was nine years ago, when television was a novelty that some fortunate Canadian folks could pick up if they lived very close enough to a large American city.

Prior to striking out for TV, Ron was in the radio line, having learned the intricacies of that relic of the past through a correspondence course studied while in [illegible] where he was a high [illegible]

Following his courses in television, he joined the still thin ranks of television repairmen when only a fortunate one or two could proudly point to his aerial and be the king of the block.

Then, three years ago, after accumulating experience, tools and contacts, he went on his own. It was a modest beginning, working from home and answering all calls at all hours.

It was not long, however, before this set-up proved inadequate to handle the calls efficiently or properly. So he bestirred himself and began to take on help.

At the present time, which is a slow season for TV [illegible]

Vancouver YBA Enjoys Clam Bake, Orchestra Dance

VANCOUVER.—On May 13 about 80 Bussei and their friends enjoyed the YBA Clam Bake at Ocean Park. Everyone gathered at the Buddhist church and the 15 carloads of people streamed down to enjoy the wonderful day at the beach, catching, or at least trying to catch crabs, and digging for clams.

In the late afternoon the YBA girls prepared the vegetables and the clams and a delicious clam chowder was served to everyone. Many thanks to Betty Kitagawa and Aki Nomura, who put many hours of work into making this outing a success.

On May 18 the Bussei once again played host, this time for the Skyliners Serenade. The 20-piece Seattle Lotus YBA orchestra, Seattle Skyliners, consisting of 18 Nisei teenagers and their two lovely vocalists, provided soothing music for the evening.

Unlike other dances, many new faces were seen on the floor, those of our Bukkyo-Kai and Fujin-Kai members. The wonderful evening concluded with vocalist Patsy Nakashima singing "Moonlight in Vermont" with the orchestra providing the music.

Canadian Artists Improve Painting By Travel Abroad

Winnipeg artist Takao Tanabe is represented in a current touring exhibit, Canadian Artists Abroad, according to the column, Gallery and Studio, by Robert Fulford in Mayfair magazine.

Critic Fulford comments that Canadian painters are getting away from their traditional insularity. Most of the painters in this exhibit have spent a year or two in other countries and have returned "enriched immeasurably by the experience."

Abstract and non-objective contributions by Tanabe are among 67 pictures in the exhibition. Tanabe recently studied in Europe under an Emily Carr Foundation scholarship.

Time for a Change

By BILL HOSOKAWA in the Pacific Citizen

DENVER, Colo.—Somewhere or other I once read that women have a deep-rooted "nesting instinct" which causes them to do such things as rearrange the furniture, repaper the living room, and even go out in search of another house. The woman in charge of the house we live in must have a powerful instinct for such matters because periodically she wants to tear everything up and start all over.

It makes no difference that I think the place is quite comfortable and thoroughly enjoyable; she always has a dozen or so ideas for "improving" our home.

We haven't even paid off the mortgage with which I saddled myself a few years ago when we put an addition onto the house. But already she's planning some extensive changes.

For one thing, she wants to modernize the kitchen. This as every husband knows, is an exceedingly expensive proposition and I have been trying to dissuade her. Without success, I might add. For another, she wants to add on to and enclose what passes our front porch. This will provide us with a sort of foyer, a place where the kids can shed the mud off their boots before they come tramping into the living room. She can think of more darn reasons why these costly projects should be undertaken.

Then there's the area out back. The new addition throws a long shadow so there's a fair-sized section where the grass grows none too well. She is in favor of putting all of it into concrete as an expansive patio. Also expensive.

At the same time she's planning these construction projects, she and several other women in the neighborhood are also talking about selling their respective homes and buying new homes in a fresher, younger district.

It doesn't seem to make any difference to these women that our present homes are quite comfortable, that we men have learned to find our way back to them on a dark night, that the lawns are in and the landscaping more or less completed, and that it would be one helluva job starting out with a brand new place.

I'm sure that women don't understand a basic male instinct—to find a fairly comfortable lair and stick with it, to make it a permanent place of security and refuge. No matter what earth-shaking, frightening soul-shattering things happen in the world of business and commerce, the male animal, I think, wants to feel that his home is an unchanging, dependable sanctuary.

And the quicker he gets the mortgage paid off, the more secure he feels. It's the rare woman who appreciates this. She is for change, and let the old man worry about the bills. She becomes bored with anything more than a couple of seasons old. All the minor shortcomings of her particular house—and what house hasn't a dozen and a half things wrong with it—become exaggerated faults.

She allows them to prey on her mind until she's on the point of flipping her lid because the rear left window sticks, or the back door opens to the south-southeast instead of south-south-west.

While these problems are strictly personal, I'm sure they touch a familiar sore spot with many a Nisei householder. More and more of them are becoming homeowners with all the satisfaction and exquisite pain the word connotes. It seems to me that the harmony of more marriages is threatened by differences of opinion about the house than all the other sources of connubial friction, not excluding sex and money.

A man's home may be his castle, but that must have been before the lawyers came up with the gimmick known as joint tenancy. The head of the family gave up a critical advantage when he agreed that his wife had something to say about his house, sort of like the way Samson got tricked by Delilah into getting trimmed.

Rash of Service Calls Means Good Programs Coming

(Continued from Page One)

he has six employees of whom two are Nisei. During the autumn peak, his payroll numbers nearly 20 with as many as six servicemen spotted throughout the city with others working in the shop and three antenna crews putting up aerials.

You can always tell when there's something big coming on television, Ron says, because there's a rash of calls for repairs or adjustments just before such events as the Grey Cup or World Series. However, he finds that boxing no longer brings in the service calls that it once did.

Aside from the routine repairs, he also handles aerials, converting present sets so that they can receive UHF (Ultra High Frequency) channels and repair electronic equipment for industry.

He has contracts with some Toronto dealers whereby he looks after the erection of aerials. He is specializing in putting up aerial towers which do away with wires to hold up the antenna and do not require drilling holes or nailing into the roof. These towers are sturdier and would hold up better in high-velocity gales than the ordinary aerial.

As for making the sets receptive to UHF channels, Ron claims that he has been getting good results. And there is an increasing number of sets being converted as otherwise by fall, many NBC programs will not be available in the Toronto-Hamilton area (e.g. Perry Como, Steve Allen).

But it is in the "other" electronic equipment that Ron looks to in terms of business expansion. With electronics becoming an increasing factor in industry, he sees the servicing of these instruments and machinery as a major phase in itself that offers lucrative returns as well as a technological challenge.

As yet, only a minor portion of his service is devoted to this, but he is planning to give more consideration to this still "untouched" field.

However, he still looks to the repair of TV sets, although because of his enlarged staff, he rarely goes out on service calls.

And service calls are not always routine, repairing jobs either. Ron recalls one job when a housewife was trying to point out what was wrong with her set. She went to the back of the television and said, "There's a black shadow right here," as she put her finger on a tube—then, boom! She flew across the room and made a crash landing. [illegible] seemingly went to the back of the set to make an adjustment but before he even touched the set, the picture went out. Then she burst into uncontrollable tears, blaming everything on the poor repairman.

But aside from flying and crying housewives, he does take time out for other activities. And speaking about flying, although he has little time for it at the present, it happens to be one of his pet hobbies.

A few years back he had a plane in which he did some soaring. However, it was wrecked in a storm two years ago while it was grounded.

During the winter, he takes off to go skiing on week-ends.

Skiing or flying semms to be a risky sort of pleasure for an enterprising and busy young man. But he's still a bachelor.

息子の縁談（十）

林　房　雄

そんな皮肉にたじろぐ虎子夫人ではない。さっさと逆毛を立てて、美人博士をにらみかえし、

「ほんとにいいお耳でございますわね。お耳も整形外科手術なすったんでございましょう。はい、私はたしかに申しました。この病院は化物病院で、医者はみんな化物医者。いつまでもぐずぐずしていては、取り殺されてしまいます。……化物の中でも、美人の化物は一番こわいと申しますわね。ほんとに私は、あなたがこの部屋においりになった途端に、背中が冷たくなって、ゾクゾクと寒気がしてまいりました。はい、ウソもカクシもない話でございます」

美人博士は白エナメル塗りの冷蔵庫のように無表情にほほえんだ。

「マラリヤの發作かもしれません。内科の診察をお受けになったらいかがでしょう」

「おや、そうですか。御親切にどうも。……でも、マラリヤだとかヒラリヤだとか、そんなハイカラな病氣は大熊家の血統にはございませんから、御安心下さい」

「なければ結構です」

「おほほほほ、あなたが結婚なさったら、さぞ夏向きの花嫁ができあがるでしょうね。氷[illegible]儉約できるし、冷房はいらないし――」

若い二人の看護婦はぷっと吹き出しかけて、あわてて口に手をあてた。

美人博士は虎子夫人を無視して、小太郎君の脈をとり、額に手をおいて、

「異状はございません。あなたは寒氣はしないでしょう」

小太郎君は眼をつぶって答えた。

「寒いような暑いような、おかしな氣持ですよ」

「食欲は?」

「異状はありません。マカロニイ・グラタンとハンバーグ・ステーキはたいへん結構でした」

「夜は若トリのカラアゲをさしあげましょう」

「ウナギのカバヤキはまだでしょうか?」

「カバヤキの消化不良は、ときどき狭心症の原因になることがあります。もっと運動ができるようになるまで、お待ちになった方が安全でしょう」

「小太郎!」

虎子夫人が叫んだ。

「氣をつけなさい。食い氣の次は色ッですよ。はっきり申上げておきますが、私はどんなに落ちぶれても、外科医は息子の嫁にはもらいませんよ。この年になって、切られて裂かれて、針をさされて、人間のカバヤキみたいな目にあわされるのは御免ですからね」

「虎子、もういいよ、解ったよ」

大熊さんが悲しそうな顔を出した。

「病人は先生におまかせして、わしたちは行こう」

「ええ、行きますとも!どうせ追出されるのにきまっているのですから」

「どうも相すみません」

大熊さんは美人博士の方にペコリと頭をさげ、みんな私が悪いんですとでも言いたげな顔をして、虎子夫人のうしろについて出て行った。

美人博士は二人の看護婦に向って、

「あなた方も、ちょっと席をはずして下さい」

看護婦が退場すると、博士はベッドのまくらもとのイスに腰をおろして、

「お話したいことがあります」

小太郎君はベッドの上にかしこまって、両手をひざにおき、

「はあ?」

「私達の結婚のことです」

各州の農地狀況

ピーシー奥地はイチゴ全滅 オ州種まきは一カ月遅れる

【ターバー發】當地方の作物の狀況は例年並に數日遅れているが、全体的には順調に發芽、生育している。シュガー・ビーツの種まきも先週末で殆んど完了、いよいよ來週あたりから間引きにとりかかる。機械による間引き作業の成績よく、農家は次第にマシンによるシニングへ轉換しつつある。

【サモンアーム發】レユスワップ及びサモンアーム地方のイチゴはひどい霜害のため殆んど全滅、イチゴ專門栽培者はとくに大打撃をうけているが、目下苗植などが行われて居り、そのため九万苗が急遽發送された。レグエルストック方面のイチゴ苗は雪下にあつて霜害を完全に免がれた。

【トロント發】オンタリオ州一帶の農地は例年より十日ないし一カ月も種まきや植付が遅れ、その損害高は四千万弗に上るものと見積られている。高地の土地は乾燥して種まきも可能になりつつあるが、低地はまだ當分農機具を入れられない有様。一方チャザム地方の農地はさきごろの水害より立直りつつあるが、シュガービーツは殆んど損害少く順調に芽生ているといわれる。

熱いスープはガンの一原因

ノドに通らぬほどの熱いスープをすうことはガンになるもとだと信ずる、とラトビア・ソ連醫大教授が今週、モスクワでラジオ放送したとのことである。同教授の語るところによるとシガレットがガンの一原因とみられているのと同様に、熱いスープをのむこともガンになりやすい一つの原因だと信ずるといつており、その證據にフルーツとミルクばかりをたべているエストの地方民には胃ガンというものは少しもないと述べている。

佛青活動の強化誓う

モ市の連盟大會で成果收む

第八回東部カナダ佛教青年連盟大會は去る十九日から三日間モ市で催され、豫期以上の成果を得て閉幕した。同大會には多數代表がハミルトンやトロントから參加、佛青活動につき熱心なる討議を行つたが、

一、現任本連盟が行つている英語佛教パンフレット出版を繼續、それを更に增大強化する。

一、オ州並にケ州地方に奬學金の實現に努力する。

一、新しく宗教委員會を設置、教線の擴大強化をはかる。

等が決議された。大會二十日の討論會では辻開教使が「佛教は必要なりや、又佛教を理解するのは困難か」につき、吉田武夫氏は「佛教の將來を如何にして增長さすべきか」、清水チャーレー氏は「如何にして佛青間に佛教への興味を持たせるか」の諸題下で活發なる論議が交わされた。なおこの會議に伴い東部の壯年會が大會を召集、その活動を具体化していくことが決定され、近く會合をもつことになつた。本年度の佛青連盟役員は次の通り

パイプライン

△アルバータ州の地下資源である天然ガスを、人口が多く產業の盛んな東部に輸送したいというプランをめぐつて、目下オタワ下院では殆んど毎夜二時、三時頃まで、すつたもんだの論議をくりかえしている。しかし政府與黨は多數をたのんで、强引にこれを推進して行くことは明らかである。

△オ州水力發電委では強く否定しているが、ここ三、四年もするとオ州は動力不足となり、產業の發展に大きい支障を來すという見通しがあり、そこで電力より安い天然ガスを使つて動力不足に備わようというのがオ州政府（進步保守黨）の方針である。

△ところが一方、オタワでは進步黨はじめシーシーエフらが、パイプラインを米國資本八三パーセントの會社にやらせるとは何事か、カナダの資源で米國に儲けさせてやるとは言語道斷だと大いに反對している。之に反して社信黨は地盤がアルバータだから、双手をあげて與黨に加擔しているのである。

△二年前、アルバータ州では天然ガスがあり餘つているから外國に賣らしてくれるとオタワに要請したところ、それなら、まずカナダの需要を滿たして、その餘りを米國に賣つてもよかろうということになつたわけだ。

△パイプラインは今年中にウィニペッグまで、五八年から五九年ころまでにはウ市からトロント、モントリオルまでが完成することになろうといわれている。

「夫君は我儘勝手だ」

カナダ人ワイフの不平不滿

カナダ世論調査が「夫君には、どんな缺點がありますか」という質問を出した結果が今週發表された。それによると男性の回答者中の四六パーセントは「缺點？さあ、わからないね」と言つて居り、女性も三二パーセントが「知りません」と答えているが、夫の缺點について回答したうちの最大な點は、夫君は我儘勝手だということから家に少しも居らず外出ばかりしているというのが不平不滿がトップを占め、次に酒をのみ過ぎるというのが缺點、その他は金使いが荒いとかグチを言いシットしすぎたり、ワイフに期待をかけすぎるという順になつている。

天皇家の財産調べ

日本で三万番目のお金持ち(八)

さて、陛下のお手元金である一千五百万圓はどうなっているかというと、これは市中銀行に預金され、運用は皇室經濟主管が預っている。そのうち一部は、信託銀行に信託して、公、社債、株式などにかえて利殖の道をはかっている。五一年二月、富裕税の對象として申告された二千五百六十万圓の財産の大部分も、こうした利殖によって最初の現金千五百万圓が増えたものであり、五三年三月皇太子さまが外遊されたとき、株を買って一千万圓持たせられたのも、このなかから出た金であった。

こうした收入に對して、陛下も毎年所得税と都民税を納めておられるのは一般國民と同様である。

所得税は、その年によって異るが、大体百万——十万見當、都民税は「東京都千代田區 番地」の皇居內住居として、これまでに七、八万というたところ。また貞明皇后の遺産を相續された時も、ばく大な相續税がかかり、しかも貞明皇后の御遺志で、その遺産はすべて數ヶ所事業に廻されることになったため、陛下は相續税だけ自腹を切って國に納められたという。

このように、月給三百十万圓ナリの天皇御一家の家計済も、なにやかやと支出も多いのだが、陛下御自身は、むかしからまことに質素で、少しも經濟的な面で氣苦勞なさる方ではなく、日常すり切れた背廣を平氣でお召しになっておられるし、靴下は何回もつくろったものをはいておられる。

また戰後お住いになっておられる御文庫は戰爭中の半地下壕式のものをお使いになっているため、ジメジメしており、そのため皇后さまの風邪もなおりにくいというお粗末な建物。廣さは四百坪もあるが、兩陛下がお使いになられるのはたった二十坪ぐらい。書齋、食堂、寝室、ホールの四部屋というわびしさ。お子さまがお見えになってもお泊りになる部屋もない。それでも「國民の住宅難が解決するまでは……」と、かねてからいっさいの修理、増築もお許しにならなかったほどで、五三年九月「ぜひ」という御側の者たちの願いに、やっと木造洋室四部屋(四二坪)の増築と簡單な修理が施されることになったという。

空の旅にも新時代来る

「三等」や「北極航路」を

月末カンヌ會議で議題に

△飛行機の「三等」というと奇に聞えるかも知れないが、これが二十九日からフランスのカンヌで開かれる航空本社の會議で問題になる。戰後いちじるしく發達した飛行機にともなって航空路もまた網の目のように各國の都市を結んで作られるようになった。一昔前までは「ぜいたく」な乘物だった飛行機もどうやら「重要な交通機關」に變り主要都市間を出來るだけ早く、短く結んでしかも安くお客を運ぼうとしている。各國の民間航空會社で組織しているアイエーテーエー(國際航空運送協會)の運賃を決めるこの會議で一番議論がわくと豫想されるのはこの「三等」の問題と、ヨーロッパとアメリカ、アジアを短く結ぶ「北極航路」の運賃の二つだが、この會議から新しい「空の旅」の姿がハッキリと出てくると見る向きもある。

△三等問題 これはアメリカのパン・アメリカン航空(ピーエーエー)から提案されると豫想されている。この提案は特に競爭の激しい大西洋横斷航空路についてで現在のニューヨーク—ロンドン三百九十ドルを百九十ドル、同じくパリまで三百十ドルを二百ドルに下げ一等、ツーリスト(二等)のような食事サービスをやめて食事を機內で賣るなどを同社で計畫して居り、長い距離を無着陸で飛べるデーシー七シーにこの級のために標準で一、二等五十八席の一倍近い百四席を設けようとしている。

△この提案が出される大西洋線は「世界で一番競爭が激しい」とまでいわれ、最近復活したドイツのルフトハンザ航空まで含めて十三の航空會社がひしめき、ニューヨークの國際空港では一日三百七十四回、四分に一回の割で晝夜大西洋横斷の飛行機が發着しているそれだけに各社の間でも「他より少しでも安く」といった傾向が強く、一九五二年に二等を設けてから年間十万人近いお客がふえた點からさらに「三等」でお客をふやそうというのがネライのようだ。

△この提案は大西洋線を持つ各社が同意しない限り實行できない規則になっているが、同社は太平洋線についても新路線の申請をして居り、この會議以後、この「三等」問題は大西洋線だけでなく世界の各地で問題になるとも見られ、特にジェット機など新しい機種が入った時は一段と強く取上げられて來るとも見られている

△極地航路 エスエーエス(スカンジナビア航空)とシーピーエーエル(カナダ航空)が始めている北極を通るコースだと東京からストックホルムに行くのにインドを廻ってヨーロッパへ入る距離の約八割ですむ。この料金はまだ決まっていないのでエスエーエスは現在よりぐっと安い料金を認めてくれと提案するわけで、これに對して東京—カナダを通ってヨーロッパに入る航空路を持っているカナダ航空は東京—アムステルダムの極地を飛ぶ航空路と南方を通る航空路と殆んど同じ距離なのに現在四百ドルほど高くなっているのを下げてくれと言い出すと思われている。

△北極を通るコースは從來のような都市を見物しながら飛んだり、途中とまるところはないが距離は短く、早く目的地に着けるわけで今後この種の航空路がふえることも考えられ、またシーピーエーエルのようにヴアンクーヴァー經由の料金が安くなると、太平洋横斷のお客がシーピーエーエルのヴアンクーヴァー經由でアメリカに入ることがあったりヨーロッパ向けのお客がインドを廻ったり、大西洋を越さずに行くことがあるなど各國の殆んどの會社に直接、間接に響くだけに相當議論がわくことも豫想されている。

△何れにせよ料金を決める會議は全員が贊成しなければ實行することは出來ない規則だから、實際にはどの程度まで安い料金が認められるかは問題だが、數年前移民の料金を安くする問題で會議が行詰まってしまった例もあるので今度も意見が合わず「戰國時代」になるのでは……と心配する向きもある。ともあれこれらは航空料金を安くしようという世界的な動きの現れで關係者たちはこの會議の成行きを注目しているが、たとえ問題がこじれてもやがて飛行機に三等が出來るのも遠い將來のことではないと考えているものもある。

ソ連が米軍首腦者を招待

『隨意ソ連軍を視察してほしい』と國連筋の情報

【ニューヨーク發】デイリーニューズ紙は二十四日の紙上に「ソ連はこつそりとワシントン政府に口頭を以てソ連軍を視察するため米統合參謀本部の全員のソ連訪問を歡迎する」と招待したと大々的に報道した。このニュースの出所は國連筋としており、ソ連は近く正式に文書を以 米國軍部首腦に招待狀を發することになつているとつけ加わている。

國連筋が得た情報によると、ソ連のかかる招待に應じるとしても、統合參謀本部はどの程度ソ連軍の視察を許されるものか、またその招待をうけることによりアイゼンハワ大統領が主唱している「空の解放」プランに一步近ずくことを意味するものであるかはもとより知るところではない。

といつている。また一方にはソ連のこのような出方はブルガーニン首相およびクルシチョフ第一書記の米國訪問實現に對する一つの手段とも考えられている。ワシントン國防省筋ではこのニュースについては何ら知らないと語つており、ことが重要だから白亞館だけが決定する問題だとしている。

英女王の背の君 エ公がネラわる

米軍七千引揚げ

【東京時事通信】門叶防衛廳官房長は今週の參院內閣委で、在日米軍に關する質問に對し次のように答えた。

在日米軍の兵力は地上軍四万二千、海軍六千五百、空軍五万である。しかしこのうち七千名が本年中に撤退する豫定である。

三等客誘致せよ

水爆と日本の國防＝新聞社說

米國が太平洋上で最大の水爆を投下爆發させたことについで朝日新聞は「運べる水爆の實現」と題し、大要次の如き社說をかかげている。

今度の水爆實驗の歷史的意義は航空機からの投下に成功したことである。ボタン一つで水爆が降りそそぐ危險な時代もくるだろうが、それは必ず破局を防ぐための人間の英智を呼びさますだろう。このような新情勢を見通し、日本の防衛も根本的に再考すべきではないか。

また讀賣新聞は「觀光事業の眼目は何か」と題し、三等クラスの外客誘致に意をそそげと次のように論じている。

日本の持つ氣候、景色、文化的遺產などの特色を十分に生かすことが觀光事業の眼目であり、そのための對策が必要だが、一つ見逃されていることは三等クラスの外客誘致である。三等クラスの外客が多くなければ觀光國としての伸びは知れたものだが、日本の現狀ははなはだしくそれを制約している。要は觀光についての[illegible]考えを一掃し、その運用に効果をもたらすことである。（時事通信）

福岡縣のカッパ祭り

今年も盛大に行わる

【福岡時事通信】戰前カッパといわば小川芋錢畫伯の神品をはじめ、作家の火野葦平氏などもその作品に登場させているが、最近では漫畫の清水崑氏のカッパ川太郎が有名になつているようだ。ところでこのカッパで有名な福岡縣筑後川流域の部落には昔から傳わる「カッパ祭り」があるが、今年もこれが盛大に行われて昔をしのばした。

△このお祭りは水天宮祭りと同じく水難除けの「川祭り」の一種で五月に川水が一杯になつた日の夕方を選んで行われるならわしだが、祭りの當日には部落毎に大人は勿論、子供までも非常呼集され、先ず一升どつくりをかかえた若者が[illegible]の中にお酒を威勢よくふりまくのを合圖に開始される。

△そして殘つたお神酒（おみき）を大人も子供も一緒になつて飲み、最後にシメナワで飾られた「ささ竹」に酒を入れた竹筒、五目飯、魚、最後にカツオ節などを入れたワラヅトと呼ばれるワラ包みをぶら下げ、川や堀にこれを立てて水神にささげて式は終る。

△面白いことにこのささ竹を立て終つたら、一目散に後をふり向かないようにして家路に急がなければならない習慣で、若し振り返つて水神がこの捧げ物を食べているところを見ると、その人は水難を避けられないことになつているという口傳が今でも傳わつているという。

移民相やり返す

有色青年を丁重に送還したと

△トロントの著名な辯護士アンドリュー・ブリューイン氏が、シーシーエフ大會で引例した人種差別の移民法につきオタワ議會で野黨から質問されたのに對し、ピッカースギル移民相は「本國送還」をうけた青年は英連邦國〔パキスタン〕の首相の甥ではなく、彼は留學生として渡加、試驗に通らなかつたので學校を止め、永住しようとしたが、同國人の移民割當がいつぱいで仕方なく本國へ歸るようにさせた」と答辯し、ブリューイン辯護士の言明はチープな宣傳にしかすぎないとケナした。

△これに對しブリューイン辯護士は早速この青年に關する一切の事實を明らかにした文を新聞に發表し、決してチープな宣傳でないことはピッカースギル移民相自身との文書交換によつてハッキリしているにも拘らず、敢て自分の言明はウソを並べたというのは合點がいかぬとしている。しかし問題はオタワ政府がこの青年に本國送還を命じたのは違法だという點にあることを強く指摘した。

△一方、こんどニュースを報じた新聞は社說に大々的に取上げ、この青年は極めて丁重に送還させたと移民相は言うが、その理由は極めて薄弱で人種差別以外の何物もないと非難している。

人種差別 性懲りぬ店主

【チャザム發】有色人のお客には絕對に接待しない、という無言のオキテをあくまでも守り通そうとした當市近郊ドレスデン町內のレストラント經營者モトレー・マッケー氏は、二名の黑人にサーヴすることを拒絕したかどにより、初判で有罪となり罰金刑をうけたのに不滿とし、上訴していたところ、今週それを却下された。理由は、非は店主にあることは明らかだというにあるが、それにも拘らずマッケー氏に「ドレスデンに來るどんなお客さんにもサーヴすることを約束しない」とうそぶいており、彼の辯護人も「マッケー氏は自己の主張のため、倒れるまで一人で頑張る」といつている。一方、勞組側ではこの上訴却下は正當だと大喜び。

岸氏は總裁跡目で藏相

河野氏が幹事長の改造構想

【東京時事通信】國會終了直後に行われる豫定の內閣改造にともなつて自民黨三役の更迭も必至とされているが、病床の三木武吉老は最近次のような改造構想をもらしている。

一、第一次鳩山內閣以來の閣僚は退陣、黨三役を入れかえる。

一、政調會長に石橋湛山氏、總務會長大野伴睦氏。

一、幹事長に砂田重政氏、その後時期を見て河野一郎氏にかえる。

一、岸幹事長は總裁跡目としての實績を作らせるため黨三役とも接觸の多い藏相とする。副總理としてもよい。

一、河野構想は砂田氏のあとに幹事長を据える方針だが若し情勢が許すならば一擧に幹事長とする。

一、吉田派から入閣させる必要はない。

dates and doings

by Margie

Do you suffer from lame back, stiff joints, muscular aches and pains? Then you must have gone camping on the Victoria Day weekend like I did. There's nothing like getting away from it all, you know. But it was cold, and that's an understatement. Got more exercise than I've had through the whole long, dull, lethargic winter. Ahhh, good clean, healthy living—hiking, rowing, baseball, football (yes), wiener roasts, lusty singing (when your teeth weren't chattering too much), working (again, yes), and [illegible] beverage.

We really and truly were roughing it. After all, we had to wash up in freezing water each night and morn, slip between two icy sheets and shiver in bed all night in spite of the [illegible] and tons of quilts piled on top of us to ward off the drafts that whistled through the cabin walls. If and when you finally got to sleep, you had to wake up at 7:30 if you wanted breakfast (this on a holiday, yet), step into your frozen clothes if you hadn't thought of wearing them all night to keep warm, stumble around until you got a bit of coffee into your system, then partake in a rousing sing-song especially designed to make sure you're wakened enough to delve into the work—fixing and painting and cleaning up camp for the lucky people who come on nice hot summer days.

But it's a good life. There's nothing like walking through the woods to have a closer look at dear old Mother Nature . . . all quiet and still except for the birds twittering in the softly rustling trees . . . It reminded me of British Columbia. Lots of time to think, with no rush, rush, rush of city life. But we're back to civilization now, and almost fully recuperated.

From the CBC Times: Four-year-old Rena Shinohara appeared with Connie Oike and her group in a program of songs and dances of Japan, on CBC-TV's Folk Songs on May 23rd. It's not the first time little Rena has appeared before the cameras. She made her debut on Folk Songs when she was only two-and-a-half—possibly making her Canada's youngest TV performer. She and the others in the group wore traditional Japanese costumes. Another feature of the show was an exhibition of old Japanese prints of the sort so many modern artists admire.

Rev. Richard Robinson, who has delivered sermons in the Toronto Buddhist Church, was scheduled to speak on the Prospects for Buddhism last Thursday and Friday at 10:20 over CBC radio. He is a lecturer in Chinese studies at the U of T. . . . Wednesday, Miss Edna May gave a 10-minute talk about Buddhism on her CBL program at 10:30 a.m.

The newest innovation at Stratford this summer is the addition of a film festival of 14 different programs, with a miscellany of outstanding foreign films including two from Japan, Living and Record of Living. Stratford Shakespearian Festival is in its fourth annual season of drama and in its second annual season of music with jazz as an added feature this year. The films will be shown in matinee performances only, so as not to conflict with the Shakespearian plays, and will run from July 23 to Aug. 16 in the Avon Theatre, admission, 50c.

Last Saturday night's dance at the Masaryk featured Ken Miyasaki and His Orchestra. It turned out that Ken was the temporary leader of a 10-piece summer-resort all-hakujin band, with the exception of Ken. My cub reporter thinks it was a tenor sax that Ken was blowing. Some people thought they played too fast; some thought they played too many fox trots (rumbas, etc., were played before 10:30 but none had yet arrived); some thought that on the whole, the band was pretty good, and liked especially their rhythm and harmony—there was a good trombone solo, too. Heard that they played to a good crowd (Thanx, Yosh).

Toronto Entertainers Perform Tonite in Hamilton; Full Officer Slate Not Feasible for Ontario JCCA

Vernon Hakkaku, Sam Furuya, Roy Kusano, Eiko Otsu and Eddie Ide are Toronto musicians who'll join with Hamilton entertainers tonight in the gala Hamilton JCCA variety concert, Ballyhoo at St. Stephen's hall, Barton and Mary streets, Hamilton, from 7 p.m.

Furuya will sing Japanese songs, accompanied by Hakkaku on the piano, while Mrs. Otsu will be accompanied by Ide on piano. Young western stylist Kusano will accompany himself on guitar. This talent was obtained for the Hamilton concert by Toronto JCCA chapter.

Ontario JCCA Set-Up

Toronto JCCA, which has been asked to make efforts to form an Ontario executive committee for the coming year, is more or less resigned to the fact that a full officer slate is not feasible due to lack of personnel, and is not necessary in view of the extent of work required as a liaison body between national JCCA and the local chapters.

Attempts will be made to nominate a president or chairman of Ontario JCCA. However, the bulk of the communications work will be carried out by one person, who will receive some financial remuneration.

Other Details

Yoshi Iwashita has volunteered to work with Dr. Fred Sunahara on a vocational guidance project for Nisei students. . . . Various committee chairmen have been named for the seventh Toronto community picnic to be held July 1 at Lynbrook park. . . . Eiko Otsu, Eddie Ide and Sam Furuya will entertain at next Friday's JCCA dance at UNF hall. . . . Sixth international softball tournament will be held in Toronto on Labor Day weekend.

Stafford Foods of Toronto took home the new Toronto JCCA challenge trophy when they captured team honors for the fourth time in five years at last Saturday's 10th annual Eastern Canada five-pin bowling tournament.

Shamrocks of Hamilton captured the ladies' team title for the second year in a row, paced by Lucy Ishii, who probably took home more prize money than any other individual bowler, male and female. The money bowlers:

Men's team: Stafford Foods 3510, Hamilton Royals 3366, Moza Matsumoto 3261, Hamilton Bogart Jewellers 3205.

Ladies' team: Hamilton Shamrocks 3071, Reesocratic No. 1 2821, Mary Ebata 2810.

High triples: Kaz Kuroda 843, Maw Mori 761, Lucy Ishii 793, May Mori 686. **High singles:** Mak Otsu 324, Aki Furukawa 307, Teresa Sakura 344, Kim Hashimoto 304.

Men's doubles: Scotty Takeuchi-Geo. Yano 1502, Joe Ito-Fred Moriyama 1486, Aki Furukawa-Ken Yamada 1402. **Ladies' doubles:** Ruth Sasaki-Amy Kondo 1284, Shirley Shimizu-Tomo Goto 1261, Mitsy Sakura-Eleanor Ogaki 1259. **Mixed doubles:** Lucy Ishii-Tad Kondo 1445, Ritz Sugimoto-Roy Nagamatsu 1429, Abe Takeuchi-Roe Mori 1402.

High aggregates (9 games): Tad Kondo 2277, Maw Mori 2224, Lucy Ishii 2095, Tomo Goto 1902.

ALLEY CHAT: Somebody suggested that the tournament committee should have members from all the clubs and leagues that participate, including outside entries. . . . Hamilton was the only outside city represented. . . . Bussei tournament kept Montreal bowlers at home. . . . Nevertheless, a total between 4-500 bowlers participated in the 10th annual event. . . . Ladies' doubles event was inaugurated, thanks to donation of a trophy by Ernie Wright of the Olympia-Edward. . . . Miss Tomo Goto is asked to pick up her prize money, sez the committee (Maybe she don't want it, boys).

Honest Ed's Lose and Tie in Western City Action; Mgr. Kutsukake Behind Plate as Kameoka Absent

Honest Ed's Nisei were blasted by Concords 8-1, but managed to tie Presswoods 4-all as Western City League baseball action continued this week. In each game the Edmen were held to four hits.

Concord pitcher Harry Collins was the star of Tuesday's game, striking out 10 Nisei, and collecting three hits and two RBIs.

Major Fukumoto and Ian McPherson shared the four Honest Ed safeties evenly between them. Rennie fanned 10 Concord batters in his five innings.

Manager Ken Kutsukake started behind the plate in the absence of regular backstop Yuki Kameoka, but was relieved later by third-sacker Sho Mori.

Russ Cunneyworth doubled with the bases loaded for three runs in the fourth to give Honest Ed's the tie in Thursday's contest. Outstanding on defense were second basemen Freddie Downs and shortstop Fukumoto.

Own Errors Beat North Kamloops Nine For Rutland, 7-1

KAMLOOPS, B.C.—The usually safe-fingered North Kamloops Mohawks found themselves the victims of a disastrous series of boots May 13 at Rutland, and these, allied with some fiery pitching by Adanacs' Hickson, who limited Mohawks to five singles, cost the Nisei club a 7-1 licking.

Only Joe Yamake, with two hits in three at bats, faced Hickson with anything like confidence.

Adanacs ran into an early 3-0 lead, with starting pitcher Tom Miyahara relieved, after giving [illegible]

ALBERTANS BOAST .333 TEAM BATTING AVERAGE WIN TWO OF THREE GAMES IN OPENING SERIES

By TED AOKI

LETHBRIDGE.—Alberta Nisei, operating in the new Southern Alberta Big Five baseball league, started in good form May 19-20, winning two and losing one in a three-game weekend series in Medicine Hat and in Lethbridge.

Now in their fifth year of operation since formation of the Nisei Baseball Commission in 1952, the squad is managed by genial Mike Tobo and Jim Kanashiro. Nisei saw action in the Big Six league for three years until it folded, and the club "freelanced" in 1955 in a season-long series of exhibition games. This year the club has hooked up with teams from Medicine Hat, Taber, Magrath and Vauxhall to form the Big Five league.

For the league lid-lifter, Nisei travelled to Medicine Hat Saturday and suffered a close 7-6 loss in an under-the-lights game that saw the Lethbridge team close a 6-0 deficit to tie in the top of the ninth, but unable to hold Medicine Hat Orphans down in the bottom of that inning.

Nisei belted Orphans' pitcher Sweldelsky nine times, while losing hurler Gerry Kjeldegard allowed only two hits. But five miscues and eight walks proved costly for Nisei. Veteran Jim Kitaguchi led the attack with two singles and a double, while Nakagawa, Blacker and Kjeldegard, all rookies, accounted for the other extra base blows.

ON SUNDAY, May 20, Nisei returned to their home park to host Taber Merchants and downed the visitors 12-4 and 13-5 in sparkling games that took less than two hours each to play.

Classy Roy Davis' three-hit performance and flawless play afield, together with a 16-hit attack spelled a lop-sided victory for Tobo's men in the afternoon game. Every Nisei in the starting line-up made the hit column.

Righthander Davis, in his debut, held Taber hitless after his shaky first inning, retiring every man in the remaining innings of play after walking the leadoff batter in the second.

Behind 4-1 in the fourth, Nisei pounced on pitchers McMurchie and Wentz for a seven-hit five-run merry-go-round, sending 11 batters to the plate. After Hirotsu flied out, rookie Nakagawa doubled and scored on Davis' booming triple. Asato singled to send Davis home. Jack Ohno singled, and after Kawasaki popped out for out number two, leadoff man Nobby Kunimoto singled to score Asato, tying the game up. Rookie Nori Kanashiro followed with another single, scoring Kunimoto for the fifth run of the inning.

In the evening tilt of the doubleheader, Nisei again staged a delayed-action come-from-behind battle to cop the 13-5 victory.

Rookie Ladic Tymchyna, 18, scattered seven hits, going the route easily to clinch the victory. Nisei, paced by Asato and Ohno, collected a total of 11 hits off Taber moundsmen.

DUGOUT CHATTER: Having come from behind three times, Tobo's men appear to have high morale. . . . The hickory-happy Nisei have collected 36 hits in 108 ABs in three games for a juicy .333 team batting average. . . . It was beautiful to watch the almost flawless defense in the Sunday doubleheader. . . . Local radio sports announcer Al McCann handled the tricky games almost without aid of the P.A. system. . . . Thanks to Vancouver Nisei for their wishes. We hope they have a successful season, too.

Flyers Clip Yamadas In Sunday Ball, 8-4; Sooners Get Sponsor

A five-run fourth inning gave Flyers the winning margin over Yamada Studio at Stanley park in a Sunday league ballgame. Final score was 8-4.

Major Fukumoto and Sho Mori tripled for Flyers and winning hurler Jack Tanaka hit twice. Yuki Kameoka was the Flyer backstop. Yamada Studio battery was Ken Fukumoto, Johnny Nishimura, Checker Nishimura and Mak Oikawa.

Tomorrow's sked: Main Auto vs. Yamada; Bussei vs. Regents, Stanley Park. Flyers vs. Kidokan, Christie Pits.

Main Auto Body (Jerry Kiyonaga) has agreed to sponsor Tosh Sakamoto's Sooners.
